

Saeede Shojaee

Digital Media Specialist / Social Video / Motion Design

8+ years creating digital content for telecom, media and brands

Digital media specialist with a strong background in visual design, motion graphics and video editing. I create social-first content and campaigns for large brands, from idea and design to short-form video and animation. I combine strong design skills with storytelling to make content that stops the scroll.

EXPERIENCE

Interactive Digital Media Specialist

2024 – Present

MTN Irancell · Tehran

- Create social media content for one of Iran's largest mobile operators: Instagram covers, carousel series and short vertical videos.
- Produce motion graphics and short-form video (9:16) for campaigns and product launches.
- Designed an AI-assisted, comic-style storytelling series to boost engagement in a social campaign.

Senior Graphic Designer

2021 – 2024

Telewebion · Tehran

- Designed key art, posters and promotional visuals for TV series and online video content.
- Created social media graphics and motion content for a large online TV and streaming platform.

Digital Marketing & Content Designer

2018 – 2021

GO2TR · Tehran

- Designed digital campaigns, social media posts and marketing materials.
- Worked across content creation, visual communication and brand consistency.

SELECTED PROJECTS

- **Brand identities** for Vista Digital and VIMO (AI creative platform).
- **Internet service ads** for Asiatech and Sefroyek.
- **Theatre posters** (Caligula, Our Town, The Lieutenant of Inishmore) and a scarf design for the National Iranian Fashion and Clothes Foundation.
